

## Summer term Y2 Knowledge Organiser – Lets go on a Safari

### Unit Overview:

Embark on an exciting virtual safari to Africa with the "Exploring Kenya" Geography scheme of learning. Through engaging activities and interactive lessons, your class will have the opportunity to discover the vibrant country of Kenya, its people, wildlife, and diverse landscapes. They will develop their map skills and explore the similarities and differences between Kenya and the United Kingdom.

### Key words

Kenya	Natural features
Landscapes	Wildlife
Conservation	Culture
Maasai	Comparison
Maps	Curiosity

This is the Kenyan flag. Kenya has a president who runs the country.

### Six Key areas of Learning

Maps	Animals	People and Culture
We will learn how to read maps and find Kenya on the world map. We will also see what the different places in Kenya look like, like the savannahs, mountains, and lakes.	We will discover amazing animals that live in Kenya, such as elephants, lions, giraffes, and zebras. We will learn why it's important to protect their homes.	We will learn about the Maasai tribe in Kenya and their interesting traditions, like their clothes, homes, and how they live each day. We will appreciate how different cultures can be.
Comparing Kenya and the UK:	Map Skills	Curiosity and Respect:
We will compare Kenya to where we live, the United Kingdom. We will look at things like the weather, animals, places, and how people live. It will be exciting to see the similarities and differences!	We will get better at reading maps by finding continents, countries, and important places in Kenya. It will help us understand the world around us.	We will be curious about Kenya's beauty and learn why it's important to take care of animals and their homes. We will respect different cultures and environments.

# Post Assessment To identify similarities and differences between Kenya and the UK
