Our Ethos:

Our school is a place where we have lively and enquiring minds, where each individual is valued, nurtured and encouraged to develop so they are successful and confident members of our community and have an embedded life-long love of learning

Dear Parents and Carers,

We have reached the end of the first half of Spring Term. Its been a productive start to 2019 at Millbrook. We have made some positive changes in a short time.

The lining up procedure has been well received and the children are coming into school ready to begin their lessons in a positive calm way.

We have a new Safeguarding team and the Curriculum team have held their first joint meeting, External English writing moderation provided by another Local Authority has proved useful to our staff, who are working hard (as are all our staff) to deliver a broad and balanced curriculum across the school.

After school clubs are in the process of being set up and we are delighted that many parents are asking for more information which will follow after half term.

In addition we are fortunate to have the CHEXS team working alongside us .

This week they have been working with some children to provide team building skills and resilience training.

Calling all Parents/Carers/Grandparents

During the Easter holidays we are hoping to turn our attention to Millbrook's decoration. Anyone who would be willing to help with this—please let us know. So if you are handy with a paint brush or general maintenance we'd love to hear from you.

Have a wonderful half term,

Peter Hilton
