Our Ethos:

Our school is a place where we have lively and enquiring minds, where each individual is valued, nurtured and encouraged to develop so they are successful and confident members of our community and have an embedded life-long love of learning

Dear Parents & Carers,

Thank you for your feedback regarding healthy eating. We have listened to your concerns and hope this will clarify the situation.

We would like you as parents to provide a healthy balanced packed lunch for your child, in-keeping with our school dinners which are balanced and nutritional.

Please be assured we are not going to be confiscating items which you deem to be healthy, however, we do ask that the following items are **NOT** included.

CHOCOLATE, CRISPS, FOOD CONTAINING NUTS or FIZZY DRINKS

Children should have a water bottle in school—we will allow pure fruit juice (no added sugar) with packed lunches. Please provide fruit or a vegetable to eat at break times.

We hope this has cleared up any confusion.
