# SPONSORSHIP FORM

**Dear parents and guardians,**

Sports For Champions UK (CIC) will soon visit your School or Club! All young people are invited to join a sponsored fitness circuit led by a professional Paralympic or Olympic athlete who will EDUCATE - ENABLE - EMPOWER participants, inspiring them to be the Champions of tomorrow.

Although we're not all athletically inclined, we do strongly encourage participation. All young people have talent and require inspiration to pursue their dreams. After 12 years of delivering memorable workshops, we're sure your event day will be cherished for years to come!

Our events raise money to support schools or clubs who keep 60% of the funds raised to spend on resources that will enrich young people's education and experiences. Professional athletes who train 35+ hours a week are the only other beneficiaries from the remaining 40%. We are a government audited, not for profit organisation that is voluntarily registered with the Fundraising Regulator. You can support the initiative with confidence and be assured that the money you donate is being allocated responsibly.

Our athletes show medals, share stories of hard work, determination and lessons learned via a whole school/ club interactive assembly. They share their personal insights to capture the imagination of all and inspire healthier, active lifestyles. They deliver an engaging powerpoint presentation discussing challenges on the road to success, resilience, nutrition, diet and dedication.

Most world-class athletes struggle to find reliable work that fits their schedule. They can also incur training-related costs (warm weather training, physio, equipment, travel and supplements) that make competing at the highest level seem an impossible challenge. Many pro athletes are unsponsored, lose support or cannot find funding. Sadly this often leaves them no option but to retire early from their sport. The Sports for Champions model enables athletes to overcome these challenges and maximise their potential!

As a Community Interest Company we appreciate that not all families are able to raise funds. We ensure all participants are involved in the event and receive a free sticker, regardless of whether they were sponsored. As a parent you are not expected to raise sponsorship money and nor should you feel pressured to do so. As experienced fundraisers, we suggest you share this form with family, friends, neighbours, people at work, the gym and your local club. Parents or Guardians should always accompany young people during their fundraising efforts for safety purposes.

Our athletes want to recognise young people's hard work and dedication to fundraising by rewarding them with a personalised thank you reward. These rewards mirror the gold, silver or bronze medals that all sports people work towards.
