Dear Parents and Carers,

Re: School Uniform – January 2025

I hope you and your families are all well and looking forward to the holiday season. I know the children are extremely excited.

As we start a new term (January 2025), I would like to take the opportunity to revisit the school's uniform expectations – including the PE kit. Uniform is an important part of a school's identity. It reinforces who we are as a community and helps allow students to feel and take pride in their school. It also helps prepare our pupils for life after primary school as they transition to secondary school – where there will be a further expectation to adhere to the school's dress code.

It would be fair to say that we have several interpretations of what is and is not acceptable uniform and we believe it is time to clarify our expectations for pupils and parents.

The full school uniform policy is available on the website, however, should you need a paper copy of the policy please contact the school office.

As of January 2025 – the children should come to school in their full school uniform – this includes PE days, where their PE kits will be brought to school in their PE bags. Children will then change into their PE kits and change back into their school uniform once their PE session is complete.

As part of our uniform initiative – the children may bring home a slip from their class teacher reminding parents/carers about the importance of school uniforms – including wearing black or brown school shoes (all black trainers without additional colour are also fine).

Thanking you all in advance for your support and have an amazing holiday period.

Yours faithfully,

Mr Craig Hamilton
Executive Headteacher
