Important Notice: Lunch Booking via the School Gateway App

Dear Parents and carers,

It has come to our attention that some children have not been booking their lunches through the School Gateway App, resulting in them not receiving their preferred meals. To ensure that your child gets the lunch they want, it is essential to book through the app in advance. This can be done up to six weeks in advance.

Please ensure you have downloaded the school gateway app and are able to sign in. This system is not only used for school dinners but also trip consents and payments.

Please use this link to access the school gateway website & download links - [School Gateway](#)

Please take a moment to check and confirm your child's lunch order using the School Gateway App. This will help avoid any inconvenience and ensure that all students have the meal options they desire.

Thank you for your cooperation!

Kind Regards

Miss O'Donnell
Office Manager
