Dear Parents and Carers,

RE: British Science Week – Mother Nature Science Workshops

To celebrate British Science Week, we are delighted to inform you that on Monday 9th March we have invited Mother Nature Science to deliver a series of exciting, hands-on science workshops for children in Reception through to Year Six. These workshops are designed to inspire curiosity and bring science to life through practical experiments, demonstrations, and interactive activities.

By taking part, pupils will have the opportunity to:

- Develop their scientific enquiry and investigation skills
- Deepen their understanding of key science concepts through hands-on learning
- Build confidence in asking questions, making predictions, and explaining results
- Experience science in a fun and memorable way that supports and enhances the curriculum

The cost of this experience will be £1.90 per child. Please log onto your school gateway app by Monday 2nd February to make a payment. If there are insufficient contributions this activity will not be able to go ahead.

Yours sincerely,

Miss Difrancesco
Science Subject Leader
