5th March 2026

Dear Parents/Carers

Year Three Science – Forces and Magnets Workshop

At Millbrook Primary School, we believe real experiences are an important part of our school curriculum. As part of our science topic, we will be holding a Forces and Magnets Workshop on Monday, 23rd March.

The Workshop will give the children an opportunity to explore scientific concepts including counterbalances and changes in direction, air and water resistance and friction, polarity and the strength of magnets, and gravity and gravitational pull and will help the children consolidate their learning.

To enable this activity to go ahead we are asking for a contribution of £5.20 per child. Please log onto your child's school gateway app by Monday 16th March to make payment. If there are insufficient voluntary contributions this activity will not go ahead.

Yours sincerely,

Miss O'Donnell
Office Manager
