

MILLBROOK PRIMARY SCHOOL

Dear Sir/Madam,

As part of our new topic of learning in Geography, we will be studying Our Local Area. Our initial lesson is to undertake a local investigative study walk to identify key human features (buildings, monuments, etc) and physical features (waterways, woodlands, etc) within the local environment. Weather permitting, we hope to be undertaking this study walk this Thursday afternoon from 1:00pm.

In order to adhere to the DfE adult to child ratio, we would be delighted to have another adult supporting us on our investigative study walk. If you can offer your support, please declare your interest to either Mr Davis or your humble servant at the end of the day. Alternatively, you can respond via this medium as a matter of urgency and we'll inform you of whether you have been "the Chosen One". Please be aware that submissions of interest will be accepted on a first come, first choice basis.

Best regards
Mr Alexis
